Education

---

Dear Ms. Dortch:

Starz Entertainment, LLC ("Starz"), a leading provider of premium movie channels, is pleased to continue its participation as a DTV.gov Transition Partner and submits this report of its consumer education efforts during the fourth quarter of 2008.

Starz has produced a 30-second television spot to inform viewers of the digital transition. The spot may be viewed at the following Starz web address:

Starz has been playing the spot in January as an interstitial on multiple premium movie channels and has made it available to third parties.

If you have any questions regarding the above information and activities, please contact me.

Very truly yours,

/s/
